## Garden Club *Anne Holway*

By the time you read this we will have had our Spring outing to Overbecks National Trust garden and house at Salcombe. Due to its sheltered position many Mediterranean plants thrive there and Spring arrives earlier. In May we welcome back Clare Shippey, a medical herbalist, who will take us on a short walk to show us medicinal plants in the hedgerows of Hillhead Farm. Final arrangements are yet to be confirmed so if you are interested please ring Anne on 941872.

We are going to have a break from the Produce Show this year due to so many other demands on people's time. We hope to make up for this by supporting the Flower Festival to celebrate the return of our Church Bells. We look forward to continuing with the Produce Show next year and would love to hear from anyone who would like to help organise it.

## Ugborough Fair 2018 - Saturday 14<sup>th</sup> July - Books and Bric-a-Brac

Further to Shelley's request last month, we would welcome book and good quality bric a brac donations.

Please may we ask that the books are in good, saleable condition. This year we would particularly welcome children's books. Books can be left with Wendy at 9 The Square or Lesley at 8 Undertown.

As ever, the more bric-a-brac we can collect, the more money will be raised, so please take your good quality bric-a-brac to Hillhead Farm for Shelley to store.

Thank you in anticipation!

### **Coffee Drop-In Centre**

**10.30 a.m.-Noon every Thursday morning in Ugborough Church**

**Post office available 10 a.m.-12 noon**

Why not meet up with friends and neighbours over coffee, tea, cake & biscuits?

Everyone welcome.

## Delamore Arts 2018

The Art Exhibition is open every day in May from 10.30 a.m. to 4.30 p.m. at Delamore, Cornwood PL21 9QT. Admission £8 to include catalogue.

We ushered in Easter with a fabulous visit, albeit slightly wet, to the gardens of Ugborough House, where the children raced ducks down the stream and hunted for eggs in the beautiful gardens. Huge thanks to Matt and Emily Fairclough for their generosity in opening up their garden to us for this event - the children always enjoy themselves hugely and find it very memorable.

Upon return from the Easter holidays the children were excited to learn that the broad beans they had sown before the break had sprouted. They now eagerly watch the bean shoots grow under the watchful eye of family at home. They have also been busy sowing flowers which they'll care for over the next few weeks.

A recent outing to the National Marine Aquarium in Plymouth was a great adventure for Pre-School. The children observed with awe, the colossal tanks teeming with life and encountered smaller sea creatures like starfish and crustaceans close up. They returned with tales of luminous jellyfish, elusive turtles and dainty seahorses. As a parent committee led charity, we rely on fundraising to supply resources and make enriching experiences such as this possible - the support we receive is much appreciated.

With fundraising in mind, save the date for this year's **Ugfest - Saturday 16<sup>th</sup> June 2018.**

**The Beacon Federation-** *Executive Headteacher - Mrs. Jane Byrne*

Ugborough Primary School.

A reminder that Monday May 7<sup>th</sup> is a Bank Holiday and Half term will be from 28<sup>th</sup> May- 1<sup>st</sup> June.

**HOLBEfest** takes place on Saturday 9<sup>th</sup> June at Flete Park (PL21 9NU)

Music festival and Community fun day with great live music and entertainment.

Tickets are on sale now from holbefest.uk or from Holbeton Post office.

Family £16 in advance or £20 on the day.

## Ugborough Church Bells update - *Francis Douglas*

Following on from the last newsletter where the church bells had arrived at the Taylor's Bell Foundry in Loughborough on 16<sup>th</sup> March, a minibus left from the Square on the 5<sup>th</sup> April for a day out to see the first of the bells being re-cast. After a pub lunch close to the bell foundry, we assembled for our museum tour and were joined by other Devon ringers from Kenton, who joined us on the 'Ugborough' tour. After an introduction in the museum where the methods used for bell casting were explained, we set off on a tour of the 19<sup>th</sup> Century red brick factory. Taylor's pride themselves in being a 'one-stop shop' for church bells and the ancillary fittings, so as well as the main casting hall, we also saw the wood workshop and the tuning room.

The highlight of the visit was seeing our bell numbers 6-8 being recast, with the moulds dug into the earthen floor, so just the top neck for the molten bell metal to be poured into, was visible. The metal consisted of the bronze melt from our own bells, with a little extra to ensure that there was enough to fill the moulds. After reaching 1100C, the metal from two furnaces was tipped into a crucible which was then moved along the gantry, ready to pour. As is customary immediately prior to the casting of the bells, the Revd Peter Povey said a prayer for the bells, the bell foundry staff and also for the bellringers. The metal was then carefully poured into the three moulds and the Taylor's staff had to keep prodding the molten metal with a stick, to ensure that all the air bubbles were eliminated.

The bells were due to stay in the ground for a further five days or so, in order for them to cool down slowly and reduce the risk of cracking. The other five bells are to be cast in early May, attended by another minibus outing from Ugborough. Once all eight bells have been cast, they will be tuned as a set of eight and Girdar the Master Tuner has advised us that he won't let our bells out of the foundry unless they are in perfect harmony. As our bells have notoriously been labelled as 'the worst sounding bells in Devon' this should be a welcome change to all within earshot.

We would like to thank Pete Hutchinson and Paul Docker for driving us safely there and back to Loughborough and to Peter Whittaker for his excellent photos which have been uploaded by Vici onto the Ugborough website at: <https://www.ugborough.com/bell-restoration-2018>.

Having previously been advised that our bells may not have been ready until the autumn, Taylor's are now expecting them to be possibly ready for collection by the end of July. **HOWEVER THIS NEW DATE FOR THEIR RETURN WILL NOT BE CONFIRMED UNTIL EARLY JUNE**, when they have all been cast and the tuning has been completed. If they do return at the end of July, we would expect them to be on display alongside the Flower Festival over the weekend of 3<sup>rd</sup> -5<sup>th</sup> August. We will keep you posted.

## Ugborough Church 'Bells in Bloom' Flower Festival- Help Required- Jacqueline

*Lugger*

To celebrate the return of our recast bells, the ringers will be holding a 2<sup>nd</sup> flower festival. If all goes well at the foundry, the flower festival will be held with the newly recast bells on display, a very exciting prospect we are looking forward to.

The new provisional date for the return of the bells is scheduled for week beginning 30<sup>th</sup> July with the flower festival being held over 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> August. These dates are to be confirmed by the foundry at the end of May.

If you are interested in giving your creative side a run out, or put in a shift or two on refreshments, you would be most welcome to join our meeting in Ugborough Church at 7 p.m. on Wednesday 2<sup>nd</sup> May. If you cannot attend, but would like to take part, please contact Jacqueline Lugger at [jaclugger@icloud.com](mailto:jaclugger@icloud.com), or phone 01752 892428 evenings.

The theme to the festival is 'Bells in Bloom' so your subject can be anything related to bells or the word 'Bells'. We have a few ideas but please bring your own and as usual my team and I will be on hand to give any help required.

Look forward to an exciting weekend.

## Ivybridge U3A - Jean Sherrell

The May General Meeting of Ivybridge U3A will be held on Monday 21<sup>st</sup> May at 2 p.m. at the Watermark.

Our Speaker will be Julie Turner on "The Life and Loves of a Store Detective"

Julie will give a humorous and informative talk about her time as a store detective.

She will include things that happened during her career together with anecdotes and stories told to her by others.

## Yealm Rouleurs cycling group

New riders welcome for this social road cycling group. We ride every Saturday, leaving from Yealmpton Post Office at 8 a.m., then meeting more riders at Ermington Primary School at 8.20 before setting off for a 30-50 mile ride at 13-15mph. Please check our Facebook page for weekly ride details.

Saturday 11<sup>th</sup> May and Tuesday 16<sup>th</sup> May are taster sessions if you want a more gentle introduction to group riding. <https://www.facebook.com/yealmrouleurs>

## Rainfall at Shellwood Hill *George Arnison*

Our miserably wet winter continued through March, when I recorded 230mm (just over 9") of rain at Shellwood Hill. This did include rare 'snow days' at the start of the month (Storm Emma) and then again in the middle of the month - when many of us also lost power for 24 hours - so it wasn't all bad !

However overall this was significantly the wettest March since I started keeping records in 2010 - more than double the average for the month of 110mm. Looking back, it was also the wettest of any month for over two years.

## **Recycling news---Keep your tops on!**

What do you do with lids, tops and caps? If you find yourself asking "Are they recyclable?", "Which bin do they go in?" and "Am I doing it right?" then read on.

These common questions now have a simple answer - YES! They are all recyclable! Simply give the bottle or jar a rinse, squash plastic bottles, put the top back on and recycle as you normally would - even if it's a metal lid on a glass jar.

Many people still remember the early days of recycling when plastic lids caused a problem due to being a different kind of plastic or being heavily dyed. Thankfully, technology has improved over the years and we no longer have this problem. Hurrah!

In fact, the recycling industry preference is now for lids to remain attached to bottles and jars. Lids and caps are small and light, so attaching them to larger items keeps them contained during the collection and sorting process and prevents them from jamming machinery. It also helps to keep plastic bottles squashed, so reducing volume and creating more space in your recycling bin, bag or box and on the recycling collection vehicle. All in all, keeping your top on gets a big thumbs up all round and helps maintain Devon's 55.7% recycling rate.

So, what happens to plastic bottles with lids?

Plastics are shredded, cleaned and passed through a Sink-Float tank which separates different types of plastic by density. HDPE plastic, such as lids and caps, will float whereas PET plastic, such as bottles, will sink. So simple, but very effective! The different plastics are then sold on to manufacturers who turn the plastic shreds into new products, such as garden furniture, fencing, polyester clothing and even new bottles.

And glass jars?

Similarly to plastic, glass is crushed and cleaned before it passes through a process to remove any plastic or metal lids and collars. Plastic and metal is recycled into new products and glass is recycled into new bottles and jars.

All local councils in Devon will collect your plastic bottles in your usual household recycling service. Don't forget bottles from your bathroom too!

Most authorities will collect your glass bottles and jars, however for the few that don't you can take them to your local Recycling Bank or Household Waste Recycling Centre.

### **Beryl's Bookworms** - Jane Johns

Days Without End by Sebastian Barry is set in the mid-19<sup>th</sup> Century, and tells the story of Thomas McNulty, orphaned during Ireland's Great Famine. He takes the dangerous sea voyage to Canada, where he meets another young lad, John Cole. The book tells the story of their lives as unconventional entertainers, known as Prairie Fairies, and their subsequent adventures and experiences as soldiers travelling the Oregon Trail from Missouri. They fought with the Sioux native peoples, and endured unimaginable hardships, facing huge extremes of weather and near starvation.

We felt that this was a "Marmite" book, and much debate ensued as to whether one could say that we "enjoyed" it. Four people just didn't want to continue reading it, as the descriptions of the fighting were horrendous, but we felt that it wasn't gratuitous violence out of someone's imagination - it recounted the facts (although it is a novel) of peoples' existence at the time.

It is written in a very unusual colloquial style, with short punchy sentences conveying the atmosphere with vivid imagery, staying with the reader long after the last page had been turned. Some found this style of writing hard to follow, however, and indeed it did take a bit of getting used to! However, we felt that it was informative, dealing with subject matter that most of us were unfamiliar with. The main characters were convincing and likeable, and although full of "death, doom and disaster" it also had humour, hope, love, kindness and loyalty. Those of us who did finish it gave it 4/5, as we thought it a brilliantly written book, but it is definitely not a light holiday read!

Our next book is Teresa Driscoll's bestseller - I'm Watching You

### **Ugborough Sustainable Saturdays** -Sarah Scanlon

On Easter Saturday we opened our doors for the usual gathering and were delighted to have 18 producers and a hall full of people coming to buy, chat and socialise. It was a very special feeling seeing that people decided that this holiday weekend could incorporate USS and they brought their children and their grandchildren along to Ugborough village hall for a treat.

It is remarkable to think that we are this year coming up for 5 years running USS and within this time we have had many producers come and go and return again and we are so proud to have a group of very talented people selling a wide range of goods

From the conception of USS and throughout the whole time, we have had a core of talented and loyal producers that have become friends and have supported the venture week in week out.

Their products include beautifully made and long-lasting bags of all shapes and sizes, Artisan home-made dog biscuits, wonderfully composed photographic cards for all occasions, gourmet ready meals and tasty snacks, delicious desserts, fresh home-made breads, a jamboree of preserves, free range eggs, boat caught fish, lovely cakes and bakes, scones for the weekend, savoury snacks and hand-crafted pasties not to mention the bacon rolls. See if you can identify these producers next time you pop in. I would like to take this opportunity to thank everyone for being so supportive and here is to another 5 years.

Dates for May are- 12<sup>th</sup> and 26<sup>th</sup>.

### Ugborough Parish Council

**The wintry weather** yet again tested the Parish Council's Snow Warden and Emergency Planning services, which both worked well - thank you Ed Johns, Justin Roger and Pete Douglas and Matt Fairclough-Kay.

The snowy weather was then followed by a deluge of rain, with the A3121 and Lutterburn Street suffering from flooding and debris. Your County Councillor Richard Hosking will be following up the complaints - the most effective response may be more frequent clearance of drainage gullies, and the Lutterburn drainage is awaiting a redesign.

**Ugborough & Bittaford** are preparing for a summer in bloom, and the Parish Council will be providing funding for new planting barrels in both villages. Thank you to the local volunteers who have helped to make our villages so attractive.

**Litter along our lanes** had been highlighted by a community-minded volunteer in Bittaford, who had picked up an enormous amount of litter along the Bittaford Road from Ivybridge. The Parish Council will be submitting a press release, with photos of the piles of rubbish collected - hopefully it will make irresponsible litter-bugs think before they trash their countryside.

**Planning applications** considered at the meeting are given below, with the Parish Council recommendations given in **bold** (those looking at this Newsletter online will be able to use the planning links):

- Householder application for conversion of redundant outbuildings to residential accommodation and home office space at Filham House Filham Ref [0071/18/HHO](#) **Object. Significant increase in size, which does not fit in with existing planning policy**

- Demolition of existing barn, change of use of agricultural land to equestrian and construction of manege at Ruby Rose Farm, Wrangaton Ref 0169/18 Neutral
- Alterations and extensions to stables to form two new stables, feed room and tack store, with associated works at land south of Quillet, Wrangaton Ref 0170/18 Neutral

**Grant funding** is available for community groups through the Calor Rural Community Fund, and the deadline for submissions has now been extended to the 21<sup>st</sup> May. Grants range from £1,000 to £5,000 and details are available on <https://www.calor.co.uk/communityfund/>

**The General Data Protection Regulations** come into force on the 25<sup>th</sup> May, which sounds very exciting! For the Parish Council, it means that we must publish a Privacy Notice, to which we will need to refer in our documents (including our Newsletter article).

**The Ugborough Annual Parish Meeting** was held on the 11<sup>th</sup> April and was well attended. Maxine Kennedy gave an informative presentation on the role of Dementia Friendly Parishes around the Yealm, which promotes an enabling environment in which those with dementia felt valued and understood. Find out more on [www.dementiayealm.org](http://www.dementiayealm.org) or phone Maxine on 07450 206312

Katie Reville outlined the aims of South Dartmoor Community Energy, to fund energy efficiency initiatives within the community in order to generate income for local good causes. New schemes are being sought, including an exemplar housing scheme, school projects and large scale energy storage - more information is available at [www.southdartmoorcommunityenergy.org](http://www.southdartmoorcommunityenergy.org) or call 0800 112 3044

The importance of voting in the Ugborough Neighbourhood Development Plan referendum on the 26 April was emphasised. Reports followed from your DNP Representative Cathie Pannell and Ranger Ella Briens, SHDC Cllr Holway and DCC Cllr Hosking - to view a summary of those reports, visit the Parish Council [website](#) or read the minutes on the noticeboards.

Ugborough Preschool outlined its plans for a building in the lower school playground, with construction hopefully next year. The History Group has extended its Heritage Appraisal to include those parts of the Parish on Dartmoor and is available **at** <https://www.ugborough.com/history-group>. Reroofing work at Ugborough Village Hall is necessary because the roofing felt has failed, funded by the Big Lottery, SHDC Community Reinvestment Projects Fund and donations from local individuals and groups. Finally, an update was given on the recasting of the bells for St Peter's Church - the bells should be returned by the end of July and on display at the Flower Festival.

Issues raised by the public included inconsiderate school traffic at picking-up time, and the very early arrival of the school bus, which DCC Cllr Hosking and the Clerk would follow up. A 20mph speed limit was requested for Fore St & Lutterburn St, and Cllr Hosking explained that DCC policy was awaited. Finally, the owner of the former Post Office detailed the delays and frustrations in contacting the Post Office about relocating the post box to the left of its current position, and the Clerk will try and help him.

**The next Parish Council Meeting** will be held on Wednesday 2<sup>nd</sup> May, starting at the earlier time of 7 p.m. with the Annual Parish Council Meeting, when organisation arrangements for the next year are decided. Agenda and minutes will be displayed on the noticeboards and website.

## A letter from our Priest in Charge- Rev'd David Sayle

### **THY KINGDOM COME 2018**

Thy Kingdom Come is a global prayer movement, which invites Christians around the world to pray between Ascension and Pentecost (10<sup>th</sup> May - 20<sup>th</sup> May) for more people to come to know Jesus Christ. What started out as an invitation from the Archbishops of Canterbury and York in 2016 to the Church of England has grown into an international and ecumenical call to prayer.

Our Diocese, led by Bishop Robert is encouraging every Mission Community / Parish in the diocese to become involved.

One aspect of our Diocesan vision is 'Growing in Prayer', and Thy Kingdom Come invites us to grow in prayer - praying as individuals, in families, with friends, with Christian brothers and sisters across the wider church in Devon and for those who do not yet know Jesus.

The shared hope for this wave of prayer is that as Christians pray together we will:  
be transformed through prayer  
be given new confidence and encouragement by the Holy Spirit  
be effective witnesses to Jesus Christ

With this in mind our Mission Community invites you all to our Ascension Day Service at Halwell Church on Thursday 10th May at 7.30 p.m. and then each evening at 7.30 p.m. a short prayer service in the following churches

<b>Friday 11th May</b>	<b>Ermington Church</b>
<b>Saturday 12th May</b>	<b>Ugborough Church</b>
<b>Sunday 13th May</b> <b>(see below)</b>	<b>A special service for Rogation at North Huish</b>
<b>Monday 14th May</b>	<b>Harberton Church</b>
<b>Tuesday 15th May</b>	<b>Moreleigh Church</b>
<b>Wednesday 16th May</b>	<b>Ermington Church</b>
<b>Thursday 17th May</b>	<b>Diptford Church</b>
<b>Friday 18th May</b>	<b>Harberton Church</b>
<b>Saturday 19th May</b>	<b>Harbertonford Church</b>

You are all then invited to a mini-pilgrimage! To a special Thy Kingdom Come 'beacon' celebration and prayer event in Exeter Cathedral on Pentecost Sunday evening, May 20th at 6.30 p.m. as a conclusion to our prayer focus including a commissioning of

God's people to return in the power of the Spirit, to continue in our call to grow in prayer, make new disciples and serve our communities with joy.

If you would like to know more about our Cathedral event or would like a lift, please do get in touch with me as soon as possible.

If you wish to listen to Bishop Robert talking about 'Thy Kingdom Come' you can do so using the attached YouTube link,

[www.youtube.com/watch?time\\_continue=5&v=BohFthE-J2U](http://www.youtube.com/watch?time_continue=5&v=BohFthE-J2U)

I look forward to welcoming you to any or all of our events during this particular time in the Church's year, which from early times has always been set aside to pray for the mission of the Church and I finish with some words from our Archbishop, "In praying 'Thy Kingdom Come' we all commit to playing our part in the renewal of the nations and the transformation of communities".

With my love and prayers, David
