### **Garden Club – April 2019** – Anne Holway

At our February meeting Peter Evans gave us an insight into the art of Bonsai. He brought many beautiful examples of common plants as well as trees. Several members were keen to try Bonsai and they will need to be very patient!

In April we plan to visit Burnham Orchid Nursery near Newton Abbot where we will be given a short talk and a tour followed by tea or coffee. Time and date will have been decided at our March meeting. Please ring Anne on 941872 if you would like to join us. The cost will be £5.00 each and we need a minimum number of 10 people to make it viable.

March was a month packed full of learning and adventure. Kicking off with book week, the children enjoyed dressing up as their favourite book characters. We read and listened together to some new stories and old favourites. The children's imaginations ran wild with a story of the run-away pancake, as a pancake that was saved for Pippa ran away! Sightings included, rolling along the church roof and later onboard a Chinook helicopter passing overhead. Reports of further sightings would be gratefully received! Raffle tickets were sold and raised an amazing £165. Thank you to everyone who bought tickets and donated prizes.

Chocolate fairy cakes with cherry 'red noses' for comic relief, pancakes for Shrove Tuesday and a variation on Welsh rarebit to celebrate St. David's day were among the culinary delights enjoyed through March as the children worked on their cookery skills.

'Wednesday whizzers' and Forest school are now in full swing for our oldest children. These programmes are a fantastic way of stretching the children and help them prepare for the transition to school in September.

We all now look forward to enjoying some time with our families over the Easter holidays but not before the much awaited Easter Egg hunt and Duck race at Ugborough House which I am sure will be a great success.

**The Beacon Federation** - *Executive Headteacher - Mrs. Jane Byrne*

Ugborough Primary School.

**A message from Sue Roberts, Chair of Governors**

**Proposed Federation with Manor Primary School**

Mrs Byrne, our Executive Headteacher, has announced that she will be retiring at the end of the current school year in August after 16 years at Ermington and 8 years as head of Ugborough in our Beacon Federation. The Governors have been discussing in detail since December how best to ensure the continuing success of both schools from next September. Having examined all the options available we concluded that the best way forward would be to expand the Beacon Federation by linking with another local school and we have therefore been in discussion with Manor Primary, Ivybridge. Both Governing Boards have reached a preliminary agreement to explore this option in detail so we are now in the consultation period which runs until 29<sup>th</sup> April.

If you have any comments or queries about this proposal, please do not hesitate to contact the school as we really need to know what you think. Copies of the relevant documents are on the federation website.

## **I've been coming here on Sundays**

*Barbara Robinson With thanks to St. Mary's, Goldington, Bedford.*

I've been coming here on Sundays for seventy year or so  
'Twas here that I was christened and 'tis here I'll want to go.  
Now I know you all get vexed about changes in belief.  
Well frills on top don't matter if you're comfy underneath.  
I never let's it bother if I'm high or low or what,  
While I've got me Ten Commandments I shan't go wrong a lot.

Now, I likes old-fashioned prayer book and they like A.S.B.  
And they can have what pleases them, and I'll read what suits me,  
And half the hymns we sing these days I've never heard before,  
But I can stand and listen, and perhaps I'll learn some more.

All these guitars and instruments –it's no more than they had  
Afore they put the organ in, when me Grandad were a lad,  
And I don't suppose God'll worry, He won't make a fuss,  
As long as all the singing's meant for Him and not for us.

We've had clergy coming straight from college, full of summat new,  
From incense on the altar and posters in the pew,  
And I lets 'em all get on with it, 'cos all these fashions pass,  
And you'll still do the flowers, me dears, and I'll still do the brass.

I got this seat, I always have, no draughts and nice and near,  
So I can hear the organ and see the vicar clear,  
And I tells God what's been happening, and what a week I've had,  
And I thanks Him for the good times, and He helps me with the bad,  
'Cos all that really matters, as far as I can see  
Is that I, down here, remembers Him, and He remembers me.

### **Ivybridge U3A** - *Jean Sherrell*

The April General Meeting of Ivybridge U3A will be held on Monday 15<sup>th</sup> April at 2 p.m. in the Watermark. **The subject of our Speaker Nick Townsend will be “Born Free, A Serengeti Childhood “**

Nick Townsend was born in East Africa in the early 50s and spent most of his childhood in Masailand, Northern Tanzania. Nick will be describing his and his family’s encounters with wildlife in their home, garden and on safari. Lions and leopards, snakes, buffalo and elephants were part of their daily life. The wildlife in Masailand was abundant, with many of the great game parks of not just Tanzania but the whole of Africa lying within or on its boundaries: the Serengeti, Ngorongoro, Lake Manyara, and Tarangire. Then there were the truly wild and remote places such as Lake Natron and Ol Doinya Lengai (the Masai’s Mountain of God). Nick will be illustrating his talk with photos taken by his father in the 50s and early 60s supplemented by a few of his own from when he returned in 1973 and 2000. For details about Ivybridge U3A

### **Rainfall at Shellwood Hill** *George Arnison*

February was notable for having the two warmest winter days ever recorded in the UK (and first time 20 degrees C has been exceeded in winter) and for being the second sunniest. I don’t know that we broke any records down here, but we certainly had a lovely dry and warm spell, and the 93.5mm (3 3/4”) of rain that I recorded at Shellwood Hill was below the 115mm average for the last ten years. March has not started quite so well.

### **Beryl's Bookworms** – Sharon Hughes

This month's book was 'I am I am I am' by Maggie O' Farrell. This is a unique memoir, told through 17 accounts of near death experiences with each chapter headed by the name of a body part.

These include debilitating childhood illnesses of O'Farrell's and her daughter's, several brushes with death in the water and some scary close encounters with menacing strangers.

Although we know O'Farrell survives each one it is the 'what could have been' factor that is chilling and breathtaking.

One of these incidents happens on a remote pathway where her instinct tells her the man she meets has evil intent. O'Farrell manages to escape but shortly after hears he murders someone on the same pathway.

The writing is certainly descriptive and most people found it evocative and compelling although one or two considered it self-indulgent and too flowery with an overuse of similes and metaphors.

The divided opinion of course created a lively discussion with friendly banter!

Everyone was interested to hear people's own stories about near misses and some felt these were more enjoyable than the book!

The book scored just over 4/5 and it was only the very small minority of dissenters that lowered this score from a resounding 4.5.

It is perhaps a 'Marmite book' you love it or you hate it!

Next month's book is 'The Tattooist of Auschwitz' by Heather Morris.

### **Ugborough Sustainable Saturdays** – Sarah Scanlon

I would like to thank everyone who supported our Potluck supper on March 2<sup>nd</sup>. It was such a fun evening with wonderful food, company and entertainment. I think it is fair to say that everybody joined in. Can't wait for the next one!

The Bring and buy table is a great success and we have raised amazing sums of money for local good causes and we are asking for suggestions. If you know of a deserving local cause, please let us know and we will donate the next 3 months money.

Without the village hall, USS would not exist and I would like to take this opportunity to thank those on the Hall committee for their hard work and dedication to make sure that it remains an excellent place to hold community events. (I know they are always looking for new members to join their team)

We are very lucky to have a regular supply of freshly baked bread at USS. Juliet Collis is one of our many longstanding supporters and producers at USS and I thought it would be interesting for you to know more about her reasons for attending.

Juliet says “ I have attended since the very beginning, initially with plants and then bread and flowers when in season. USS has allowed me to further my skills in Bread making and the market has allowed me to practice batch baking. What I like about USS is being part of the community and seeing people on a regular basis, especially living outside of the village. I love meeting my customers and getting feedback – both good and bad! It all helps with product development and trying new bread techniques. The sales help me to purchase new baking equipment and attending courses to develop my skills and extend the range of breads that I can offer”

We are so fortunate to have such talented and dedicated producers like Juliet. Dates for April are 13<sup>th</sup> and 27<sup>th</sup>.

### **Yealm Rouleurs Cycling Club**

A cycling club for people who don't want to join a cycling club!

#### **Get back into gear**

Now that we have winter behind us, it is time for the cyclists amongst us to dust off their bikes and head out to the South Hams again! The Yealm Rouleurs (French for wheelers...) is a social bike group started in 2008 aimed at cyclists living near the Yealm River and surrounding areas. We are about 20 strong and affiliated with British Cycling. We do small group rides with likeminded riders every Saturday morning. If you are a road cyclist, whatever gender, and can cycle about 30 miles to a coffee shop, you are welcome!

#### **Taster sessions**

For those you would prefer a less challenging start or can't make Saturdays, we also run taster sessions once a month on the 2nd Tuesday night of the month and Saturday taster session the 2<sup>nd</sup> Saturday of the month. Open to all but aimed specifically at those who are unsure about group riding and want to try it out.

#### **Routes and information**

We aim to let people know about the details of the Saturday route on our Facebook page a few days in advance [\*\*fb.me/yealmrouleurs\*\*](https://www.facebook.com/yealmrouleurs).

You can contact us via Facebook if you have any questions.

**The March Parish Council Meeting** was held a week later than normal to accommodate your Clerk's holiday plans. She returned with a dislocated shoulder and is finding typing a real trial – so this report will be quite brief!

**Inconsiderate parking** along Fore Street was highlighted during the public session. Apart from being against the law and unnecessary, it is very inconsiderate to pedestrians, particularly those with young children or pushing buggies.

**Wrangaton** was the focus of discussion on two fronts: Further discussions will be held with Dartmoor National Park about its recognition as a 'settlement'; and an on-site meeting discussed parking arrangements – DCC Highways will be drawing up plans to extend the double yellow lines and to permit parking on the Green Lane splay

**Planning applications** considered at the Meeting (with recommendations in **bold**):

- Householder application for extension to dwelling at Lower Barn, Coarsewell, Ugborough Ref **0474/19/HHO** **Object. Substantial extension to the footprint of the original barn. Development has a significant impact on the character of the barn**
- Erection of 5 dwellings and associated parking at vacant land South of Coach House, Wrangaton Ref **0722/19/FUL** **Object. Not compatible with the Neighbourhood Plan or the emerging Joint Local Plan**

**Burial ground fees** have increased again to bring them in line with those charged by Ivybridge, and a full list is given on the Parish Council website.

**Parish Council elections** are due to be held on the 2<sup>nd</sup> May. Although most of the Parish Councillors are happy to stand again, it is likely that there will be one or two vacancies. If you are interested in becoming a Parish Councillor, you must submit your nomination paper by 3<sup>rd</sup> April – look out for the public notices. Training is available to all new Parish Councillors.

**Grant funding** has been made available for a number of local projects, including repairs to Ugborough Village Hall, History Group funding towards an interpretation board for the community herb garden and repairs to the Donkey Lane tap, a defibrillator for Wrangaton phone box, and Preschool funding towards plan preparation.

**An environmental campaign** is being run by the Kingsbridge & Salcombe Gazette to '...make the South Hams one of the most environmentally friendly Districts in the country'. **A letter from our Rector- Rev'd David Sayle**

A Message for Holy Week and Easter

On Palm Sunday, we enter the story of Holy Week and Easter yet again. The familiar story that we hear year after year is a story to which we know the ending - after a happy beginning things go downhill. There's betrayal, sadness, death and destruction and then the ending to beat all endings when the hero reappears having defeated death and surprises all his friends. The problem I guess that many of us have is that because we know the ending, we lose sight of the anticipation and excitement of the story. It's not that the plot is predictable or easy to anticipate - for us it's the problem of hindsight.

We know that Palm Sunday's jubilation was followed by the despair of Good Friday. We know that the seeming failure of Good Friday was quickly overtaken by the triumph of the first Easter Day. Hindsight is supposed to be beneficial - but in the case of the Easter story it robs us of the possibility of living through the events as they happened.

What was going through the disciple's minds as they came into Jerusalem on that first Palm Sunday? What was Jesus feeling as he rode into Jerusalem on that donkey? Our danger is that knowing the outcome we minimise the intensity of the events and feelings of Holy Week because we know it turned out OK in the end.

Palm Sunday dramatises for us the chasm in understanding which existed between Jesus and everyone around him. While his disciples and the happy shouting crowds were welcoming their king, Jesus was alone. Really alone - no one understood what he was doing - no one grasped what was about to happen!

When we talk of Christ's suffering - we think primarily of the Cross. We miss the agony of the anticipation, the loneliness that Jesus felt throughout the last week of his life. The shame of abandonment and torture. And because we miss his anguish we minimise the significance of many of the events of that last week. With the benefit of hindsight we rush on to the resurrection - to the good news and the nice celebrations.

Maybe this is because we don't like bad news, we don't like sadness, pain and agony and so often people don't come to church during Holy Week because we want to ignore this part of the story. However, the good news of Easter Day, only fully makes sense if we have also made ourselves face the bad news. Only then can we fully appreciate what Jesus did – that he entered the depths of pain and anguish out of love for us. It's only by living through Holy Week that we can fully realise that Jesus really and truly understands the pain and suffering that we face in our lives and can minister to us in our dark places.

There is something happening in our Benefice Churches every day during Holy Week - and each service will help us through words, images and music to relive, to re-imagine the story of that first Holy Week. I would urge you to come along to each service - and if you can't get transport but would like to come then please let someone know and we'll see what we can do to help get you there. Do take this opportunity to live through Holy Week, but as we do this, let's not get too far ahead of the plot anticipating the final outcome. Instead, let us, to the best of our ability, stay with the story watching and feeling it unfold day by day.

*David*
